Words of Wisdom

"The only thing over which you have 100% control is your own behavior, so when life throws you a curve, meet it head on and you might just hit a home run."

~Dianne Dixon

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful."

~Amy Brewer

"You should try to be good, even if it is only for selfish reasons-for some strange reason altruism seems to be the best predictor of happiness"

~Dr. Chris Rorden
